JUCCCE rethinks energy

JUCCCE. Joint US-China Cooperation on Clean Energy.

We accelerate the greening of China through international collaboration on market-transforming programs. JUCCCE's fresh approach combines industry insight with unparalleled convening power across all sectors. Tap into the worldwide resources of our leadership network and make things happen.

Rethink energy and reshape the world.

Only with your help, can we reshape the world

donate

As a non-profit, we rely on donors to support our highly effective programs. Monetary gifts to the JUCCCE Fund at Give2Asia are tax-deductible in Hong Kong, Canada, and US. www.give2asia.com/juccce.

In-kind donations of hotel rooms, air miles, equipment, staff are also welcomed.

volunteer

Together, we can move mountains.

We are looking for professionals and students across a wide range of skillsets. Email us at volunteer@juccce.com and make a impact.

sponsor

By bringing vendors together to provide a turnkey solution to green buyers, JUCCCE makes the decision to go green easier, and the process of going green faster. Companies, support our programs and expand your green market. Sponsor@juccce.com.

"JUCCCE is the only organization in China that has effectively and consistently galvanized public and private sector leaders, thinkers and implementers. JUCCCE's blueprint for action is pragmatic and far-reaching."
