JUCCCE China Energy Blueprint

Catalyzes international and cross-sector partnerships to work on programs that can transform the industry. A web-enabled tool that moves people from analysis paralysis to action that impacts.

JUCCCE China Mayoral Training

A series of courses incorporated in mandatory sessions at the National Mayoral Training Center provides top local decision makers with city-level energy efficiency case studies, experts and resources.

JUCCCE China Energy Forum

Leaders gather in Beijing to showcase and partner on innovative solutions to China's energy challenges.

JUCCCE China Smart Grid Cooperative

Convening international experts to help China's utilities kick-start planning for a more energy efficient and green-friendly electrical grid.

JUCCCE Programs

Joint US-China Cooperation on Clean Energy

JUCCCE Green Lights for All

Distribute 10 million energy saving lamps to students, along with on-campus environmental education. An innovative end-use energy efficiency CDM program.

JUCCCE Green Hero Consumer Campaign

Everyone can be a Green Hero, everyday. Engaging consumers via mobile and web to send in Green Deeds and vote for winners.

JUCCCE rethinks energy

JUCCCE. Joint US-China Cooperation on Clean Energy.

We accelerate the greening of China through international collaboration on market-transforming programs. JUCCCE's fresh approach combines industry insight with unparalleled convening power across all sectors. Tap into the worldwide resources of our leadership network and make things happen.

Rethink energy and reshape the world.

Only with your help, can we reshape the world

donate

JUCCCE programs are highly effective and highly focused. Gifts to the JUCCCE Fund at Give2Asia are tax-deductible in Hong Kong, Canada, and US.

Together, we can move mountains.

"JUCCCE is the most innovative sustainable energy NGO in China, bringing together business leaders who are passionate about identifying practical and scalable solutions that will make a difference in China."

- Frank Rexach, VP & General Manager, Haworth APAC, Middle East & Latin America and multiyear Platinum sponsor of JUCCCE

contribute

Hotel rooms, air miles, equipment, staff.
Thanks for helping us go farther!

sponsor

Make green while going green. JUCCCE works with local channel partners to help companies create China's green marketplace.

"JUCCCE is the only organization in China that has effectively and consistently galvanized public and private sector leaders, thinkers and implementers. JUCCCE's blueprint for action is pragmatic and far-reaching."

- David Nieh, General Manager, Shui On Land and JUCCCE Board Member
